Presented together as *Literacy in the Sun*

Winnacunnet High School

1 Alumni Drive, Hampton, NH 03842

8 am (registration and coffee) to 4 pm

603-758-9229 (for information on conference days)

Our conference presenter is Pam Berger, a library consultant with 20 years of school library experience, publisher and editor of Information Searcher and an adjunct instructor at Syracuse University iSchool. Pam and has spoken to audiences in the U.S, Canada, Europe, Asia and

Africa and is author of three books and many journal articles on literacy and technology. Berger's blog, Infosearcher, offers updates on new resources, strategies and tips on developing 21st century literacy.

Reading and the Secondary/Elementary School Library Media Specialist ties into the learning and teaching -Learning and Teaching Principles for the School Library Media Specialist – that underlie the vision of library media programs presented in Empowering Learners: Guidelines for School Library Media Programs. This premise ties directly to the need for collaboration and leadership on the part of the school library media specialist and is integral to every aspect of the library media program and every component of the school library media specialist's role.
